Dear Parent

Consent Form for Photography and Images of Children

During your child's life at The Redhill Academy we may wish to take photographs or use video/digital images of activities that involve your child. The photographs may be used for school records, displays, publications and on websites either by us, the Local Education Authority or by local newspapers.

Photography or filming will only take place when related to school-based activities and under appropriate supervision. When filming or photography is carried out by the news media, children will only be named if there is a particular reason to do so (e.g. they have won a prize), and home addresses will not be given out.

Please fill in the reply slip below and return to your child's Form Tutor.

If you intend to take photographs and/or videos of your own child; take appropriate images, be sensitive to other people, seat yourself towards the back of the area where the performance is taking place and try not to obstruct the views of the audience watching the concerts, performances and events.

Thank you for your co-operation.

Yours sincerely

Mr N Matthews
Head of School
