

The Redhill Academy

Application for Admission under the Performing Arts Criteria September 2021 Guidance Notes

This application form is linked to the admissions criteria that have been agreed by the Governing Body of Redhill School for intake at Year 7 for September 2021.

It will be used as the basis for decision making by the Governors' Panel on Admissions. It is important that parents complete this application form in as much detail as possible.

Contact may be made by the academy with the primary school and other external organisations solely for the purposes of verifying information provided by parents.

The procedure is as follows:

1. Parents request a Redhill Performing Arts Supplementary Application Form from the school or receive one in the prospectus. At the same time parents **must** also fill in the Local Authority Common Application Form.
2. Parents complete the Redhill Performing Arts Supplementary Application Form and return it, with any supporting evidence, by November 6th 2020.
3. Due to current nationwide COVID-19 social distancing restrictions, we will be unable to host this year's Performing Arts Aptitude Evening on-site in the usual manner. **Instead, we will be offering a VIRTUAL PERFORMING ARTS APTITUDE EVENING, on November 27th, from 3:30pm to 6pm. Further details will be shared with applicants, on receipt of a completed Application Form.**
4. Successful applicants are allocated a place (up to 10% (24) places available). These students will hear of their place at the same time as other students in the County, i.e. on National Offer Day – 1 March 2021. Unsuccessful applicants rejoin the pool of first preferences.
5. These applications in addition to the other first preferences are then allocated a place (238 available) according to the remaining admission criteria. These students will hear of their place at the same time as other students in the county in early March 2021. The academy cannot advise on any individual Performing Arts supplementary application outcome before 1 March 2021.
