

# Flashcards

## SHOULD

- ✓ Contain key information (check with your teachers)
- ✓ Be part of a regular revision programme
- ✓ Allow for more detailed answers IF it is necessary
- ✓ Identify the assessment objective where relevant for that type of question e.g. AO1/AO2 etc.
- ✓ Be tracked – the Leitner Box method if the most effective way of doing this

# Flashcards

## SHOULD NOT

- ✓ Be your only form of revision, they should allow you to identify gaps that you can then use other resources to support
- ✓ Be used as a cramming method
- ✓ Your only form of revision – use them to identify gaps and complement other forms of practice
