

Flashcards

SHOULD

- ✓ Contain important information (check with your teachers)
- ✓ Keep the information on a single card to a minimum
- ✓ Use colour as an advantage
- ✓ Use images where appropriate
- ✓ Be part of regular revision, not just before an assessment

Flashcards

SHOULD NOT

- ✓ Be wrong! (practice makes permanent, even incorrect practice)
- ✓ Contain long paragraphs of text
- ✓ Be used as a 'cramming' method the night before an assessment
