CO-CURRICULAR PROGRAMME 2023-24

Welcome to Curriculum Plus

Our academy promotes activities that widen our students' experiences through our Curriculum Plus programme. This includes opportunities to participate in sport clubs, the performing arts, trips abroad, cultural experiences and character-building challenges.

These experiences help to develop our students' self-confidence, build their resilience, and feel a sense of belonging. They also challenge our students to learn new skills and find a passion that they can take with them throughout their life.

We expect all students to get involved in Curriculum Plus as part of their personal development, choosing activities they already love or trying something brand new.

Find out more about our Curriculum Plus programme by following [@RedhillAcademy](https://twitter.com/RedhillAcademy) and [@RHTCoCurricular](https://twitter.com/RHTCoCurricular) on Twitter.
