

The Redhill Academy - Curriculum

Year	Term	Core Subjects							EBAC and Facilitating Subjects							Foundation Subjects							Whole School					
		English & Literature	Maths	Biology	Chemistry	Physics	Synergy science	PE	PRE	French	German	Spanish	History	Geography	Business	Computer Science	Art	Dance	Drama	DT	Food	Music	H&S Care	PSHE	RSE	Careers	Trips	Inter-House
Year 7	HT 1	Introduction to Shakespeare & Letter to Future Self Careers link: students are focused on their future goals - they will return to these letters in Y11	Analysing & Displaying Data/Effective Calculations			Contact Forces		Two Activities: Individual Gym, Team Invasion, OAA Philosophical questions about Old Testament stories				Pre 1066	What is a Geographer?		Office 365	Day of the Dead: research, draw	This is me	Exploring stories	Workshop Skills (Phone Stand and Metal Keyring Projects)	Basic cooking skills	The Elements of music		Healthy Relationships: Celebrating difference	Respectful relationships- Anti bullying		Walesby - Team building	Creative Writing Maths Challenge Cross Country Challenge Art Challenge	
	HT 2	Shakespeare's Romeo and Juliet RSE: Evaluate the circumstances behind a fictional marriage and consider the effect of this upon family relationships. Trips: Summer term visit to Stratford-upon-Avon and creative workshops with the RSC. Careers link: watching an RSC version - engaging with the working world of actors and directors.	Algebra			Substances and Particles		Two Activities: Individual Gym, Team Invasion, OAA Philosophical questions about Old Testament stories				The Middle Ages 1066 - 1509	Is the Earth running out of natural resources? Fieldwork		Web Awareness	Day of the Dead: research, plan, design	African Dance	Holes - Louis Sachar	Developing Workshop skills	Health and nutrition	Pulsation		How do we keep safe?	Families	Green Careers Week - resources shared via tutor time	Music Royal Concert Hall	Creative Writing Maths Challenge Cross Country Challenge Art Challenge	
	HT 3	Plastic and Persuasion (Non-Fiction) Careers link: Consideration of the work of two pupils (one current, one previous) who have created their own charity focused on environmental change	Graphs/Factors & Multiples Higher: Fractions & Geometry			Reproduction		Two Activities: Individual Raquet, Athletics, Team Invasion, Individual Gym Judaism. How does belief affect life?				The Middle Ages 1066 - 1509	What is an economy?		Under the hood	Day of the Dead: think, plan, design	Transport Journeys	The Twits - Steven Berkoff	Designing for a Client Design and Make Project: (Rolling Ball Game)	Healthy meals	Melody and keyboard skills		Creating opportunities	Online safety	Y7 Alumni Event. National Apprenticeship Week (resources shared through tutor time)	Dodgeball IT Challenge Science Challenge		
	HT 4	Detectives, Spies and Lies Careers link: Discussion of writing like a working author	Decimals & Measures Higher: Decimals & Algebra			Energy transfers		Two Activities: Individual Racket, Athletics, Team Invasion, Individual Gym Judaism. How does belief affect life?				Early Modern 1509 - 1745	What is weather and climate?		Scratch	Day of the Dead: create the puppet	Capoeira	WW1	Manufacturing Skills Design and Make Project (Boat)	Sewing machine competency	Introduction to Logic		Mental wellbeing	Taking care of ourselves	CDI Learning Unit- Manage Career (PSHE) and House Assemblies. Students introduced to Unifrog (IT lesson). Redhill Careers Week and Careers Fair	Dodgeball IT Challenge Science Challenge		
	HT 5	Class Novel: Rooftoppers or Salt to the Sea RSE link: Discussion around religious prejudices in a fictional text.	Geometry Higher: Multiplicative Reasoning			Changing Substances		Two Activities: Athletics, Team Striking & Fielding, Individual Racket Sikhism				Early Modern 1509 - 1745	Is the geography of Russia a benefit or curse?		Microbit	Observational Drawing	Street Dance	Commedia dell'arte	Graphical Drawing	Decoration Techniques	Instruments of the orchestra		Topical issues towards the environment	Healthy lifestyles			Humanities Challenge Music Challenge Athletics Challenge Dance Challenge	
	HT 6	Class Novel: Rooftoppers or Salt to the Sea RSE link: Discussion around religious prejudices in a fictional text.	Transformations Higher: Sequences & Graphs			Electric Circuits		Two Activities: Athletics, Team Striking & Fielding, Individual Racket Sikhism				Early Modern 1509 - 1745	What is development?		Digital graphics	Observational Drawing	Solar System	Stage Combat	Sustainability and Environmental Factors in D&T	Wiggly' Hickman bags	Programme music		British Values	Puberty	National University Week - resources shared via tutor time	Science - Space Centre History - Civil War museum	Humanities Challenge Music Challenge Athletics Challenge Dance Challenge	
Year 8		English & Literature	Maths	Biology	Chemistry	Physics	Synergy science	PE	PRE	French	German	Spanish	History	Geography	Business	Computer Science	Art	Dance	Drama	DT	Food	Music	H&S Care	PSHE	RSE	Careers	Trips	Inter-House
	HT 1	Going to War RSE link: Consideration of PTSD and the effects of war on mental health, looking into how this is presented in certain texts.	Number & 3D Shapes Higher: Indices			Organisms		Two Activities: Individual Gym, Team Invasion, Fitness, Target, OAA Islam. How does belief affect life?				Transatlantic Slave Trade	How are populations changing?		Technology	Fish: research, draw from artist's images	Lindy Hop	Rose Blanche	Advanced Sketching Skills/ Electronics Project: Moisture Tester	Food Science : Bread	The Blues		Healthy Relationships: Celebrating difference	Mental wellbeing		English Shakespeare Theatre trip	Creative Writing Maths Challenge Cross Country Challenge Art Challenge	
	HT 2	What the Dickens? Careers link: Discussion of writing like a working author	Statistics & Algebra Higher: Shape & Graphs			Forces		Two Activities: Individual Gym, Team Invasion, Fitness, Target, OAA Islam. How does belief affect life?				The Era of Industrial Revolution 1750 - 1900	How does ice change the world?		App Lab	Fish: research, work from first hand resources	Types of stimulus	Sweeney Todd	Skills Development - Materials	Food science Pastry	Further Logic		How do we keep safe?	Harmful online content- Social media	Green Careers Week - resources shared via tutor time	Music - Nottingham Albert Hall & Royal Concert Hall	Creative Writing Maths Challenge Cross Country Challenge Art Challenge	
HT 3	Shakespeare's Much Ado About Nothing RSE link: Consideration of how romantic relationships are formed between fictional characters. Careers link: watching an RSC version - engaging with the world of working actors and directors.	Decimal Calculations Higher: Transformations			Reactions		Two Activities: Athletics, Fitness, Team Invasion, OAA, Individual Racket Religious and Philosophical beliefs about the afterlife				The Era of Industrial Revolution 1750 - 1900	What are the opportunities for Africa?		App Lab(2)	Fish: think, plan, design	Breakdance	Arabian Nights	Advanced Manufacturing Skills	Food Science Sauces and raising agents	Ukuleles		Creating opportunities	Gambling and gaming addictions	National Apprenticeship Week (resources shared through tutor time)	Dodgeball IT Challenge Science Challenge			

Year 9	Year 9																										
	English & Literature	Maths	Science				PE	PRE	French	German	Spanish	History	Geography	Business	Computer Science	Art	Dance	Drama	DT	Food	Music	H&S Care	PSHE	RSE	Careers	Trips	Inter-House
	English & Literature	Maths	Biology	Chemistry	Physics	Synergy science	PE	PRE	French	German	Spanish	History	Geography	Business	Computer Science	Art	Dance	Drama	DT	Food	Music	H&S Care	PSHE	RSE	Careers	Trips	Inter-House
HT 4	Shakespeare's Much Ado About Nothing RSE link: Consideration of how romantic relationships are formed between fictional characters.	Number Properties & Geometry Higher: Fractions, Decimals, Percentages & Constructions			Electromagnets				Weather, Future Leisure Activities with Weather, Towns in the Francophone World, Present Tense of -RE and -IR Verbs, Musical Instruments, Giving Justified Opinions on Francophone Music, Discussing Musical Favourites, Comparing Music, Celebrities in the Francophone World	School Life in UK and Germany, Expressing Opinions of School Subjects with Justifications, Nouns, Gender and the Accusative Case, Future Tense		The Era of Industrial Revolution 1750 - 1900	Why are rivers important?		Networks	Fish: print	Ghost Dances	A Monster Calls	Design and Make Project (USB Powered Lamp)	Sublimation printing and Ear pod case	Band skills		Mental wellbeing	Understanding Antibiotics and vaccinations	CDI Learning Unit- Manage Career (PSHE) and House Assemblies. Redhill Careers Week and Careers Fair.		Dodgeball IT Challenge Science Challenge
HT 5	Fighting for Equality (Non-Fiction) RSE link: Consideration of stereotypes and prejudices, as well as individuals who fight for positive change.	Sequences & Fractions Higher: Probability & Scale Drawing		Genes					The Holocaust			The Era of Industrial Revolution 1750 - 1900	Why is the Middle East an important region?	Python	Seated Figure: research, draw from artist's work	Musical Theatre	Augusto Boal & the world around us	Problem Solving and Evaluative Thinking	Make one to Donate one	Songwriting		Topical issues towards the environment	Science relating to blood, organ and stem cell donation.	Y8 Assembly - outside speaker - NTU Brackenhurst		Humanities Challenge Music Challenge Athletics Challenge Dance Challenge	
HT 6	Drama Text (Harry Potter and The Cursed Child) RSE link: Evaluation of fictional friendships and relationships, considering positive qualities. Trips: Scheduled theatre trip for Autumn term to see stage craft in action (unfortunately cancelled due to Covid in 2022)	Probability Higher: Graphs		Earth				Food and Drink, Food in the Francophone World, Past Tense with Food and Drink, Healthy and Unhealthy Diet, Future Diet, Illness and Advice	The Holocaust				What is an enquiry?	Twine	Seated Figure: draw from life	DIY	Greek Theatre	Design and Make Project (Articulated Lego Figure)	E-textiles	Reggae		British Values	Damaging stereotypes	NTU Campus Visit - targeted (PP), National University Week - resources shared via tutor time	NTU Campus Visit	Humanities Challenge Music Challenge Athletics Challenge Dance Challenge	
HT 1	Introduction to Other Worlds Careers link: Discussion of writing like a working author	Number Calculations & Sequences Higher: Powers/Roots & Quadratics	Cells (microscopes, antibiotics on growth, osmosis)	Atomic structure	Molecules and Matter (density)	States of Matter Energy Stores and Pathways Cells in Animals and Plants - Part 1	Two Activities: Athletics, Team Striking & Fielding, Individual Racket, Team Invasion	Christian Beliefs				Medicine in Britain 1250 - Present	Tectonic Hazards	First 300 Enterprise Challenge. Introduction to Business (1)	300 Minutes. Binary (Data Representation)	Art Toolkit: shape, tone, form, draw	Arts Award Part A (participation) and Part C (inspiration)	Live theatre: Hamilton	Materials: Properties and Processes	Advance cooking skills	Film music	Introduction to Health and Social Care	Healthy Relationships: Celebrating difference	Laws and risks around sexting and explicit image sharing		Creative Writing Maths Challenge Languages Challenge Cross Country Challenge Art Challenge	
HT 2	Class Novel: The Hate U Give or Noughts and Crosses RSE link: Discussion around damaging and prejudice stereotypes and historical views of race.	Statistics/Fractions, Decimals & Percentages Higher: Inequalities/Collecting & Analysing Data	Cell division	Structure and Bonding	Properties of waves (investigating waves)	Atomic Structure Waves	Two Activities: Individual Gym, Team Invasion, OAA, Individual Racket, Fitness, Sports Leadership (option)	Christian Beliefs				Medicine in Britain 1250 - Present	Weather Hazards	Introduction to Business (1) Young Money	Computer Architecture	Art Toolkit: working with line	Arts Award Part B (audience) and Part D (skills share)	Live theatre: Everyone's talking about Jamie	Using and Working with Materials	Food, health and nutrition.	Film music and programme music	Introduction to Health and Social Care	How do we keep safe?	Trustworthy relationships	Green Careers Week - resources shared via tutor time. Redhill Future Talk Event with alumni - targeted (PP)	Dance Theatre trip Music Royal Concert Hall	Creative Writing Maths Challenge Languages Challenge Cross Country Challenge Art Challenge
HT 3	Class Novel: The Hate U Give or Noughts and Crosses RSE link: Discussion around damaging and prejudice stereotypes and historical views of race.	Graphs	Communicable diseases	The Periodic Table Earth's atmosphere	Electromagnetic waves	Earth's Atmosphere	Two Activities: Fitness, Team Invasion, Individual Racket, Athletics, Target, Sports Leadership (option)	Christian Beliefs				Medicine in Britain 1250 - Present	Climate Change	Introduction to Business (2) Marketing -4Ps	Primary and Secondary	Art Toolkit: experimental approaches to drawing	Mock choreography	Devising from a stimulus	Polymers, Culture and Study of Designers	Macron nutrients and micro nutrients	MAD T SHIRT	Skills and Qualities	Creating opportunities	Coercive relationships- Grooming	National Apprenticeship Week (resources shared through tutor time), HM Careers Chat with Y9 PP students ahead of options. Careers Support at Options Evening.	Dodgeball IT Challenge Science Challenge	
HT 4	Voices and Choices RSE link: Discussion around stereotypes based on gender and other characteristics. Careers link: consideration of writing like a published journalist and how writers can use their voice to achieve social change.	Algebra Higher: Non-linear Graphs & Multiplicative Reasoning	Respiration	Earth's atmosphere	Electromagnetic waves Radioactivity	Ecosystems and Biodiversity (investigating distribution or organisms) Forces and Energy Changes (Hooke's Law)	Two Activities: Fitness, Team Invasion, Individual Racket, Athletics, Target, Sports Leadership (option)	Religion, Peace and Conflict				Elizabethan England 1558 - 1588	Ecosystems and Tropical Rainforests	Introduction to Business (3) Easter Enterprise Challenge	Network / Boolean Logic	Cubism and Beyond: explore the timeline of modern art, research Cubism	Set dance performance	Devising from a stimulus	Product Impact and Design Strategies	Food Science	MAD T SHIRT	Skills and Qualities	Mental wellbeing	Sexual harassment	CDI Learning Unit- Manage Career (PSHE) and House Assemblies. Redhill Careers Week and Careers Fair.	Dodgeball IT Challenge Science Challenge	
HT 5	Power and Conflict (War cluster) RSE link: Discussion around mental wellbeing and the effects of PTSD in particular.	Probability & Polygons Higher: Trigonometry & Number	Organising plants and animals	The Earth's resources (potable water)	Radioactivity	The periodic table Systems in the human body part 1	Two Activities: Athletics, Team Striking & Fielding, Individual Racket, Team Invasion	Religion, Peace and Conflict				Elizabethan England 1558 - 1588	Cold Environment	Introduction to Business (4)	Legal and Environmental	Cubism and Beyond: art history	Choreography and Section B questions	Scripted drama	NEA 2: Research and recipe selection	AOS1: My music	Infection Prevention and Control	Topical issues towards the environment	Peer pressure around drugs, alcohol and sex		Dance - Primary School visits Geography - Yorkshire Wildlife Park	Humanities Challenge Music Challenge Athletics Challenge Dance Challenge	
HT 6	Power and Conflict (Nature cluster)	Algebra Higher: Algebra	Organising plants and animals	The Earth's resources (potable water)	Energy Resources	The periodic table Systems in the human body part 1	Two Activities: Athletics, Team Striking & Fielding, Individual Racket, Team Invasion	Religion, Peace and Conflict				Elizabethan England	Rivers and Coasts	Consolidation Recap Dragons Den Enterprise Challenge	System Security	Cubism and Beyond: Hockney joiners and Cubist photography	Section B- own practice	Scripted drama	Planning, Practical assessment and evaluation	AOS1: My music	Infection Prevention and Control	British Values	Consequences of drugs and alcohol	National University Week - resources shared via tutor time	Belgium Battlegrounds	Humanities Challenge Music Challenge Athletics Challenge Dance Challenge	
HT 1	Paper 1: Literature: Shakespeare & 19th Century novel - Macbeth RSE link: consideration of the deteriorating mental health of a character in the text. Careers link: watching an RSC version - engaging with the working world of actors and directors Language: Explorations in Creative Reading and Writing (Paper 1, Section A) and Spoken Language Endorsement Careers link: learning how to present to an audience	Number & Algebra Higher: Number & Algebra	Photosynthesis (light intensity)	Structure and Bonding.	Conservation and Dissipation of Energy	Plants and Photosynthesis Chemical Quantities	One Activity: Individual Gymnastics, Team Invasion, OAA, Fitness	Relationships and Families, Muslim Practices				Elizabethan England	Urban World	First 300 Role Play Influences on Business (External Environment)	300 Minutes (Y9 Review). Network (Data Transmission and the Internet)	GCSE coursework unit 1: Portraiture: pencil self portrait	Shadows and Duo/Trio performance	Paper Birds Devising	Tolerances, Mechanical Devices, Forces and Stresses	Food spoilage	AOS2: The concerto through time and practical component composition	Human Lifespan Development	Healthy Relationships: Celebrating difference	Laws around protected characteristics		Creative Writing Maths Challenge Languages Challenge Cross Country Challenge Art Challenge	

Year 10	HT 2	Paper 1: Literature: Shakespeare & 19th Century novel - Macbeth RSE link: consideration of the deteriorating mental health of a character in the text. Language: Explorations in Creative Reading and Writing (Paper 1, Section B) Careers link: using your written voice like a published writer	Graphs, Tables & Charts Higher: Interpret and Represent Data/Ratio & Proportion	Organisation and Digestion Preventing and treating disease	Structure and Bonding Chemical Calculations (Titrations)	Conservation and Disipation of Energy Energy Transfer by Heating (Thermal Insulators)	Radiation and Risk Human Body Systems Part 2 (food tests, reaction times)	One Activity: Individual Gymnastics, Team Invasion, OAA, Fitness	Relationships and Families. Muslim Practices		in German-speaking Countries		The American west	Urban Change UK - London	Influences on Business (External Environment)	Security Threats and Policies, Legislation (Extended)	Portraiture: introduction to acrylics	A Linha Curva and Duo/trio performance	The Crucible	Electonics	Factors effecting food choice	AOS2: The concerto through time and practical component composition	Human Lifespan Development	How do we keep safe?	Coercive criminal relationships (county lines)	Green Careers Week - resources shared via tutor time. Y10 (eligible students) - 'Progress2Uni' Webinar 1 with Cambridge University	Music Royal Concert Hall	Creative Writing Maths Challenge Languages Challenge Country Challenge Art Challenge
		HT 3	Paper 2: Literature: Modern Texts and Poetry - An Inspector Calls RSE link: discussion around safety of consent and sexual violence in literary text. Trip: theatre trip to see a production of An Inspector Calls Language: Writers' viewpoints and perspectives (Paper 2, Section A)	Algebra & Fractions Higher: Angles & Trigonometry	Preventing and treating disease Non communicable Diseases	Chemical Calculations Chemical Changes	Energy Resources Electric Circuits (resistance of a wire)	Lifestyle and Health Forces and Motion	One Activity: OAA, Team Invasion, Individual Gym, Fitness	Muslim Beliefs. Thematic Studies Relationships and Families				The American west	Development Gap	Business Operations	System Software	Portraiture: paint	Artificial Things and set phrase 1 (Breathe)	The Crucible (Continued)	Energy and Powering Systems	Sustainability of food and food security	AOS3: Rhythms of the world and practical component composition	Human Lifespan Development	Creating opportunities	Consent	Y10 Year Group Assembly - outside provider - ASK Apprenticeship Service. Y10 Progress2Uni Webinar 2. National Apprenticeship Week (resources shared through tutor time)	Dance - Workshop @ NCN
HT 4	Paper 2: Literature: Modern Texts and Poetry - An Inspector Calls RSE link: discussion around safety of sexual relationships issue of consent and sexual violence in literary text. Language: Writers' viewpoints and perspectives (Paper 2, Section B) Careers link: using your written voice like a published writer		Averages, Perimeter, Area & Volume Higher: Area/Volume & Transformations	Adaptations, Interdependence and Competition Oranising an Ecosystem (rate of decay)	Electrolysis	Electricity in the home	Preventing, Treating and Curing Disease Forces and Motion	One Activity: OAA, Team Invasion, Individual Gym, Fitness	Muslims Beliefs Thematic Studies Relationships and Families				The American west	Newly Emerging Economy - Nigeria	Business Operations	Algorithms	Portraiture: printmaking	Within Her Eyes and mock exam of D/T and Breathe	Live Theatre Noughts & Crosses	SMART and Modern Materials	NEA 2: Research and recipe selection	AOS3: Rhythms of the world and practical component composition	Health and Social Care Services and Values	Mental wellbeing	Sexually explicit content online	CDI Learning Unit- Manage Career (PSHE) and House Assemblies. Redhill Careers Week and Careers Fair. Y10 Progress2Uni Webinar3	Dance - Theatre English - Theatre trip Ski trip to Italy	Dodgeball IT Challenge Science Challenge
	HT 5	Literature: Papers 1 and 2 - Modern texts and Poetry (Paper 2, Section B) - Power and Conflict Poetry Trip links: trip to Poetry Live in Year 11 and 'gifted and talented' trip to Newstead Abbey to engage with romantic poets in Year 10 - Shakespeare and 19th century texts (Paper 1, Section B) - Jekyll and Hyde	Graphs Higher: Probability	Biodiversity and Ecosystems	Energy Changes (effect of temperature) Using Resources	Forces in Balance	Structure and Bonding Magnetism and Electromagnetism	One Activity: Athletics, Team Striking & Fielding, Individual Racket, Individual Gym	Preparation for public exams. Thematic Studies					The Historic Environment: The British sector of the western Front 1914 - 1918	UK Economy - Fieldwork	Human Resources	Computational Logic (Extended)	Portraiture: printing with Lino	Infra and set phrase 2	Devising Drama	Environmental, Social and Economic Impact	Planning, Practical assessment and evaluation	AOSS: Conventions of pop and practical component composition	Health and Social Care Services and Values	Topical issues towards the environment	STI awareness and contraception	Y10 Progress2Uni Webinar 4. Y10 Careers Survey launched.	Humanities Challenge Music Challenge Athletics Challenge Dance Challenge
HT 6		Literature: Papers 1 and 2 - Modern texts and Poetry (Paper 2, Section B) - Power and Conflict Poetry Trip links: trip to Poetry Live in Year 11 and 'gifted and talented' trip to Newstead Abbey to engage with romantic poets in Year 10 - Shakespeare and 19th century texts (Paper 1, Section B) - Jekyll and Hyde	Transformations, Ratio and Right-angled Triangles Higher: trigonometry & Geometry	The Nervous System (reaction time)	Using our Resources	Motion	Structure and Bonding Magnetism and Electromagnetism	One Activity: Athletics, Team Striking & Fielding, Individual Racket, Individual Gym	Introduction to A Level PRE Thematic studies					The Historic Environment: The British sector of the western Front 1914 - 1918	UK Economy - Fieldwork	Breakfast Cereal Enterprise Challenge	Storage and Memory (Extended)	Personal Study: research, present, develop	E of E and practice choreography	Devising Drama (Continued)	NEA	Food Investigation	AOSS: Conventions of pop and practical component composition	Health and Social Care Services and Values	British Values	Dangers of radicalisation online	Decision-making session delivered by HM in RE lesson time. Y10 Vocational Event - local providers / mini careers fair. HM delivers programme to Y10 on Taster Day (L2 and below), National University Week - resources shared via tutor time	English - Newstead Abbey French - Paris trip
			English & Literature	Maths	Science			PE	PRE	French	German	Spanish	History	Geography	Business	Computer Science	Art	Dance	Drama	DT	Food	Music	H&S Care	PSHE	RSE	Careers	Trips	Inter-House
Year 11	HT 1	Paper 1: Literature: Shakespeare & 19th Century novel - Macbeth and Jekyll and Hyde RSE link: consideration of the deteriorating mental health of a character in the text. Language: Explorations in Creative Reading and Writing (Paper 1, Section A)	Transformations, Ratio & Trigonometry Higher: Similarity & Multiplicative Reasoning	Hormonal Coordination (plant hormones)	Rates and Equilibrium	Forces and Motion	Inheritance and Variation Carbon Chemistry	One Activity: Individual Racket, Team Invasion, Fitness	Thematic Studies: Peace and Conflict				Weimar and Nazi Germany 1918 - 1939	Resources UK. Fieldwork	Marketing	300 Minutes (Prior Review). Algorithms	Personal Study: developing a personal response	Choreography and Section C (analysis of set dance works) recap	Devising Drama	The Work of Others	Food, health and nutrition.
