

24 September 2024

Dear Parent

**Post 16 Open Evening – Thursday 3 October 2024 at 6.30pm**

We would like to invite you and your child to our Post 16 Open Evening on Thursday 3 October 2024 at 6.30pm in the Main Hall. The evening will consist of a presentation from myself and the Head of Sixth Form, followed by the opportunity to have a look around our purpose-built Post 16 Centre. The presentation will be repeated at 7.30pm.

As well as an opportunity to view the facilities, you will have a chance to meet the team and talk to subject staff about the various courses and qualifications which we offer.

We are very proud of the high-quality provision in our growing Sixth Form and the academic success which it delivers for students. **In the summer, we achieved excellent results at A Level, with our average point score once again being above the national average. As an aspirational Sixth Form, we also pride ourselves on the number of students who progress on to university, with 94% of students progressing to Higher Education this September including the University of Cambridge. Our students increasingly pursue apprenticeships in industry including surveying, accounting and engineering as well as a high number of students accept places on vocational courses including nursing and counselling at University following their study of the BTEC in Health and Social Care as well as coaching and sports management**

We do hope that you are able to join us at our Open Evening and see what we have to offer.

Yours sincerely

Mr M Hardy  
Head of School
