

READING AT REDHILL

As we begin a new term, we wanted to celebrate some of the achievements of our students and share with you the exciting reading events that we have coming up this term.

JANUARY 2025

DECK THE HALLS!

At Christmas time, we transformed our library into a winter wonderland. We also brought back our popular 'gift-wrapped' book shelf. This shelf included a range of books from around the library that were wrapped up like a present. As expected, our books flew off the shelves!

We also brought back 'Santa's nice list' where students could write down a book they would like to read in time for Christmas. Santa selected five lucky students at random and hand-delivered a brand new book to them as a gift for excellent behaviour this term.

REDHILL BOOK AWARDS 24-25

Our annual Redhill Trust book awards have been taking place at school for KS3 and KS4.

Thanks to our library leads, we have judged the books in the KS4 category and decided on a winner. Congratulations to:

KS4- 'The Glasgow Boys' by Margaret McDonald

WORD MILLIONAIRES

Congratulations to our students that have received their Silver and Gold Word Millionaire badges in Accelerated Reader. These students have read over 1,00,000 words.

Willow E-H	2,556,785 words
Emma K	1,132,496 words
Harrison L	1,642,039 words
Esme W	1,410,322 words
Sophie W	1,165,029 words
Amelia L	1,061,192 words
Thomas B	1,011,631 words

LIBRARY EVENTS ARE BACK...

Last term we hosted our first library event of the year celebrating diverse authors in light of Black History Month.

We transformed our library into a book fair and assigned our library leads with a diverse author that they had to study. Each library lead would present their author's work on separate tables around the library. During lunch time we invited two students from each tutor group to come and vote on their favourite one.

READING AT REDHILL

Library Day

Every Wednesday lunch time the library exclusively hosts a range of reading clubs that students can participate in. Most of these clubs are led by our library leads and are different ways in which we can celebrate our love of reading. If you love reading, come along!

DEAR reviews

Last year we launched a competition for KS3 to design a review of the best book they have read during DEAR time. We were surprised at the incredible effort from all entries and so we chose 10 winners. Each winner received a £10 amazon gift voucher and their amazing entries can be seen on display in the library!

REDHILL ACADEMY TRUST
Equality and Achievement

Open to all KS2 & KS3

Poetry by heart 2025

An inter-house poetry speaking competition for all schools across Redhill Academy Trust.

Grand final hosted by The Bolsover School to take place in February 2025

REDHILL RECOMMENDED READS

This QR code will take you to a list of recommended reads. How many have you read so far this year?

Library leads wanted!

Do you enjoy reading? Do you want to have a say in the design of our library? Being a Library Lead is a role open to all years. This will involve recommending new books to order, designing fun and creative library displays and maintaining the library.

If you are interested, please express your interest with Mrs Hilditch or Mr Flemming.
