

Headteacher: Mr M Hardy

16 December 2024

Dear Parent

**Year 11 Online Parents' Evening
4.00pm – 7.00pm - Wednesday 8 January 2025**

I would like to invite you to attend our online **Year 11 Parents' Evening** on Wednesday 8 January 2025.

During the evening, parents and students will have the opportunity to meet with subject teachers via a **video call**. No specialised software or equipment is required, and the website can be easily accessed using a smart phone / tablet / PC capable of making a video call.

Making appointments

Parents will need to make appointments in advance with the staff that they would like to speak to. This can be done by using the online system, link below. This will go live at 5.00pm on Thursday 19 December 2024.

<https://theredhillacademy.schoolcloud.co.uk>

Each subject appointment will last for five minutes with a built in one minute break between consecutive appointments. If you run out of time or miss an appointment, please feel free to contact the school to arrange a follow up phone call.

Attending the online event

On the evening, you will need to log on to the website (using the same link as above) and then join your pre-booked appointments. We suggest logging in five minutes before your first appointment is due to start.

If you are unable to attend the online event, we ask that you log in and select the 'unable to attend' option.

If you encounter any difficulties when making bookings or have any questions about these arrangements, please contact the academy's reception team.

Year 11 Mock Results Day will take place on Thursday 19 December 2024. On this day, each Year 11 student will meet with a member of staff and discuss their mock exam results. This will be a valuable opportunity for students to reflect on their performance during the mock exam period and to discuss ways to build on the progress they have made so far. Students will also be given a copy of their first year 11 report to take home with them. The reports will include both their mock exam result and an end of year predicted grade for each subject.

Yours faithfully

Mrs J Giles
Deputy Headteacher
