

03 March 2025

Dear Parent

**Year 9 Online Parents' Evening
4pm - 7pm Wednesday 12 March 2025**

I would like to invite you to attend our online Year 9 Parents' Evening on Wednesday 12 March 2025.

During the evening, parents and students will have the opportunity to meet with subject teachers via a **video call**. No specialised software or equipment is required, and the website can be easily accessed using a smart phone / tablet / PC capable of making a video call.

Making appointments

Parents will need to make appointments in advance with the staff that they would like to speak to. This can be done by using the online system, link below. This will go live at 5pm on Wednesday 5 March.

Each subject appointment will last for five minutes with a built in one minute break between consecutive appointments. If you run out of time or miss an appointment, please feel free to contact the school to arrange a follow up phone call.

Attending the online event

On the evening, you will need to log on to the website (using the same link as above) and then join your pre-booked appointments. We suggest logging in five minutes before your first appointment is due to start.

If you are unable to attend the online event, we ask that you log in and select the 'unable to attend' option.

If you encounter any difficulties when making bookings or have any questions about these arrangements, please contact the academy's reception team.

I would also like to take this opportunity to remind you about our pathways evening which will take place on **Wednesday 26 March 2025 at 6.00pm** where we will share more information with parents regarding the pathways process and parents will be able to speak directly to subject staff about GCSE course content.

Yours sincerely

Mrs J Giles
Deputy Headteacher
