

Dear Parent

**Year 10 Online Parents' Evening  
4pm - 7pm Tuesday 3 June 2025**

I would like to invite you to attend our online **Year 10 Parents' Evening** on Tuesday 3 June.

During the evening, parents and students will have the opportunity to meet with subject teachers via a **video call**. No specialised software or equipment is required, and the website can be easily accessed using a smart phone / tablet / PC capable of making a video call.

Making appointments

Parents will need to make appointments in advance with the staff that they would like to speak to. This can be done by using the online system, link below. This will go live at 5pm on Thursday 22 May.

Each subject appointment will last for five minutes with a built in one minute break between consecutive appointments. If you run out of time or miss an appointment, please feel free to contact the school to arrange a follow up phone call.

Attending the online event

On the evening, you will need to log on to the website (using the same link as above) and then join your pre-booked appointments. We suggest logging in five minutes before your first appointment is due to start.

If you are unable to attend the online event, we ask that you log in and select the 'unable to attend' option.

If you encounter any difficulties when making bookings or have any questions about these arrangements, please contact the academy's reception team.

Yours sincerely

Mrs J Giles  
Deputy Headteacher
