

April 2026

Dear Parent,

Firstly, I would like to thank you for choosing The Redhill Academy for your child. We are looking forward to meeting your child and getting to know them during the summer term before they officially join us in Year 7 in September 2026.

If you have not yet officially accepted your child's place at The Redhill Academy, please do so as soon as possible by visiting the NCC website.

The progression from primary to secondary school is a significant step in a child's life. Our aim is to make this transition period as smooth and enjoyable as possible for everyone involved. To support this, we have a comprehensive transition programme planned, which includes:

Information Packs

These will be available on the academy [website](#) (Parents > Admission > Year 6 Transition) and distributed to students by academy staff. The packs will include information for parents on all aspects of The Redhill Academy, including curriculum, pastoral structure, uniform, school day timings, term dates, etc. There will also be various transition resources and activities for Year 6 students to explore.

Primary School Visits – Throughout May/June

A member of Redhill Academy staff will visit your child at their primary school to talk about what they can look forward to in Year 7 and answer any questions your child may have.

Year 6 Induction Day – Wednesday 01 July

This will take place at The Redhill Academy and is an opportunity for students to be guided around the school site and experience a range of lessons. There will also be various activities to encourage them to meet new students and speak to older students about life at Redhill.

Year 6 Parents Induction Evening – 6:30pm, Thursday 02 July

All Year 6 parents and students will be invited to join us at the academy. Important information will be shared, and parents and students will have the opportunity to meet their child's Form Tutor.

Further details about the Year 6 Induction Day and Evening will be sent out to parents nearer the time. If you have any questions regarding the transition process, please do not hesitate to contact the academy.

Yours sincerely,

Mr. G Clarke
Assistant Headteacher
