

READING AT REDHILL

As we begin a new half term, we wanted to celebrate some of the achievements of our students and share with you the exciting reading events that we have coming up.

JUNE 2026

The Carnegies

CARNEGIE MEDAL 2026

Every year, our Library Leads and Reading Champions are invited to take part in reading and voting for the Carnegie Medal for Writing, an annual British literary award for books for children or young adults. Miss Jefford, our school librarian, applied with Carnegie for free tickets to take students to the awards ceremony in London... and won! Hundreds of schools across the country applied for tickets and we're very lucky to be able to take a group of students to see the awards ceremony in person and meet the authors of books shortlisted to win the award.

BIG REDHILL TRUST READING QUIZ

Congratulations to our five students who have earned their place in the final of the Big Redhill Trust Reading Quiz! They will form our team to go up against teams from other Trust schools. Who will take the crown in the final on the 12th of June?

WORD MILLIONAIRES

Congratulations to our students with the top wordcounts! They have received their Silver and Gold Word Millionaire badges in Accelerated Reader.

LIBRARY EVENTS COMING UP...

Our final whole-school event in the library is our annual Pride event.

On Wednesday the 17th June, we will be transforming our library into a celebration of LGBTQIA+ literary characters, shining a spotlight on queer characters from graphic novels, poetry, and novels in displays around the library. Students will also be invited to take part in creating a rainbow display of 'what Pride means to me', and charity fun such as face-painting, Pride flag keyrings and badges.

READING AT REDHILL

Library Day

Every Wednesday lunch time the library exclusively hosts a range of reading clubs that students can participate in. Most of these clubs are led by our Library Leads and are different ways in which we can celebrate our love of reading. If you love reading, come along!

DEAR Reviews

Two years ago, we launched a competition for KS3 to design a review of the best book they have read during DEAR time. This has become an annual challenge for all KS3 students to demonstrate their creativity and artistic skills. The top creations will be displayed in the library and the winning students will be given a prize!

TUTOR INVITE ONLY!

Library leads wanted!

Do you enjoy reading? Do you want to have a say in the design of our library? Being a Library Lead is a role open to all years. This will involve recommending new books to order, designing fun and creative library displays and maintaining the library.
